City Updates –Ann

Update on the bylaws.- Mike Shelton said, "Let's look at them and get rid of the controversial parts. The important points are: purpose, composition, stipulation of attendance, responsibilities, and specialists.... No member of any committee can appoint themselves to be paid. Linda says, "a lot of these issues are in the city code. Perhaps we should start with the city code as a guide in creating by-laws for the Arts Council."

What Butlerville Days expects from the Arts Council –

- ⤴ Ann said, “ We need a Committee and a Committee leader to determine the free talent for the entertainment. The committee can volunteer their input for the paid talent. The talent should appeal to everyone. The committee will plan the schedule; oversee the sound, the stage, the promotion of sponsorships and the auditions of those performing.
- ⤴ Brian Allen, who has done this each year, would like this to be his last year.”
- ⤴ Rod Lewis agreed to be Chairman.
