Success Story

A resident saw a vehicle pull up to the corner and steal his neighbors ladder. He reported the incident giving a good vehicle description and a partial license plate. Officer Shirts ran the plate and found a possible match. Officer Davies ran the criminal history and pawn history of the registered owner. The owner had an extensive history pawning at a West Jordan pawn shop. Davies rolled out toward the pawn shop and located the car and both suspects. They had pawned the ladder just prior to the stop. The brothers admitted to pawning the ladder to buy heroin. They were booked into jail by Garcia and Davies. Dogged determination and efficient use of resources by Officers together with excellent observation, description and plate number by the citizen helped

SOLVE THE PROBLEM.
