The petition must contain a majority of signatures by landowners and at least one-third of the value of the property within the proposed annexation area. The petition was filed in January 2014. The Council accepted the petition for further consideration in March. Notice of Certification was completed in June and published in the newspaper for 3
consecutive weeks. No protests were filed against the annexation allowing for the public hearing. Mr. Kessler is of the understanding that there is a 30-day period where the plat itself will be filed with the Lieutenant Governor’s Office and at that point the annexation will be complete.

4.1.4 City Attorney, Shane Topham stated that the City Council would first have to approve the annexation by ordinance.

4.1.5 Mayor Cullimore stated that the action should be completed prior to January 1, 2015 allowing the annexed property to be under taxation by Cottonwood Heights. He noted that the annexation will significantly reduce taxes for the property owners. The property boundaries were detailed.

4.1.6 Mr. McGee asked for clarification on the majority of zoning of the property being annexed and asked if there is intent to rezone any of the property.

4.1.7 Mayor Cullimore confirmed that the majority of the property is zoned R-1-15. He is unaware of any intention to rezone.
