2.0 CITIZEN COMMENTS

2.1 Rob Hortin thanked the City for the traffic improvements on Union Park and how beautiful it looks. He shared safety concerns regarding the absence of striping on the project.

2.2 Mary Francis Rich stated that she is representing the Willow Crest Road neighborhood. She expressed frustration with the lack of ordinance enforcement of illegal rental properties. It is her understanding that it is difficult for the City to prove violations of the single-family ordinance and that the City is able to enforce only the criminal nuisance ordinance. Ms. Rich stated that she believes that illegal rentals also adversely affect neighborhood property values.

2.3 Councilman Bracken stated that there are significant difficulties in targeting specifically what are being called “illegal rentals”. This is not an issue only in Cottonwood Heights but a problem county wide. He reported that there are numerous issues that are still being addressed by the City.

2.4 Mayor Cullimore confirmed that it is a problem and has been an issue since the City incorporated. It is the intent of the City to determine how the matter can best be dealt with. He agreed to further address the problem.

2.5 Jackie Egbert asked for clarification regarding the ordinance process. She stated that there are numerous rentals surrounding her home and she questioned the proper way of reporting them.

2.6 Mayor Cullimore explained the steps involved in creating an ordinance. The process of determining violations of the City ordinance was also detailed. He encouraged neighborhood involvement in helping the City become aware of violations.
2.7 Raymond Marmouze concurred with previous comments regarding illegal property rentals. He also shared concern about the privatization of the City’s public work services and snow removal with a company out of Colorado.

2.8 Councilman Bracken clarified that the bulk of funds for the public works contract will be used as it was with Salt Lake County. The majority of funds will be used toward labor and resources within the State of Utah.
