6:00 p.m. 1. A presentation by Mr. David Robinson, candidate for Salt Lake County Mayor.

Mr. David Robinson came to dialog with the Council about current perception of County – City relationships and needs.

Mr. Robinson is running for Salt Lake County Mayor, per Republican Party request, although he has been registered as unaffiliated or independent for most of his life, but very strong fiscal conservative.

Mr. Robinson introduced himself and explained his experience with land use issues and resolving conflicts between private and public entities. Mr. Robinson also spoke of municipal water issues that he feels that legislature needs to be drafted to support municipalities.

Mayor Cullimore asked what was behind his motivation to run for County Mayor. Mr. Robinson explained that the Salt Lake County race is motivating because he feels that Mayor McAdams is a bit of “a child” of Ralph Becker. Reported concern with water usage, downtown development decisions, Salt Lake City Public Utilities profit that residents pay for, and the dishonesty issues involving the Mountain Accord.

Mayor Cullimore asked Mr. Robinson what he would do to improve relationships between County and Municipalities. Mr. Robinson believes in giving municipalities’ power to do what they need to do and reduce the County budget. Put Mountain Accord on hold and address Fire Mitigation, which was not addressed through Mountain Accord.
2. A presentation by Mr. Brian Berndt, Economic and Community Development Director, on the Business Development Report

Mr. Brian Berndt, Economic & Community Development Director, and Ms. Peri Kinder, Business Development & Licensing reported on a recent survey done for their departments. A copy of this presentation is attached and incorporated to these minutes by this reference.

Mr. Metcalf reported that the Newsletter has been proofed but the Teacher Recognition is being left blank, to cover the event tomorrow.

Mr. Metcalf is also working with new project manager for Civic Live, on linking to buy tickets, duplicate numbers and email problem. These issues are targeted to be resolved before the end of the year.

Mr. Metcalf is working on a Media package and adding some data around the building. He also reported that he is preparing the mailers for the marathon and that Murray City is also doing mailers on the marathon, to send to their residents.

4. Public Works Report

a. Public Works update

Mr. Matt Shipp, Public Works Director, reported on public works projects from this past week including plans for projects by UDOT on Wasatch Blvd including improvements at the Wasatch Blvd and North Little Cottonwood Canyon Road intersection.

Mr. Shipp reported that the Wasatch construction is still on scheduled.

Councilman Tyler informed that UDOT will pour a 6” jersey barrier poured at Wasatch Blvd and he felt it might be a good idea to put a city sign on that corner.
Council and staff discussed at some length the options UDOT may be looking at for the Danish Road and Wasatch intersection. According to Mr. Shipp reported that some of the council ideas were communicated to UDOT and they are going back to the drawing board to try and re-work the intersection plan.

b. **Update on Transitioning Public Works**

Mr. Matt Shipp, Public Works Director, updated the Council on the transition providing public works including plans for the new public works yard on 3000 East.

Highlights on the transition:
