b. **Police Department.**

Chief Russo reminded Council of Police Recognition Banquet on Wednesday, August 24th, 2016.

Chief Russo reported on an Officer who responded to a bike being stolen from a little girl; the Officer went to Target and got the little girl a new bike with his own money.

6. **City Manager/Assistant City Manager Report.**

a. **New City Hall Construction Report.**

City Manager, Mr. John Park, provided the Council with a report on the progress of the new City Hall and updated the Council on the City Council Conference room which will be used for work sessions.

Mr. Park announced that the City is moving in two weeks and furniture has arrived and has been setup in some of the offices. A timeline of the move is provided for IT and furniture from city hall that will go to the new city hall.
b. **Review of Staff Communications.**

Each week staff provides informational reports from each department to allow City Council a method of keeping up on the day-to-day activities of the City. This report is available on the internet at [www.ch.utah.gov](http://www.ch.utah.gov). This agenda item is set aside to allow Council members to ask questions or for staff to bring Council up to date if any changes have occurred since the report was made.

City Council had no questions on report.

c. **Policy on Public Use of the New City Hall Facilities.**

Mr. Bryce Haderlie, Deputy City Manager, led a discussion about a proposed policy governing the public use of the new city hall facility.

Mr. Haderlie presented a PowerPoint on the fee policy direction the council may want to consider related to the use of the new city hall facility. Mr. Haderlie clarified that this presentation’s purpose is to get direction and consensus. A copy of this PowerPoint is attached and incorporated to these minutes by this reference.

Mr. Haderlie advised council that he would revise the current draft and resend it out with the proposed changes.

7. **Mayor/City Council Reports.**

a. **Transcom – Mayor Cullimore.**

Mayor Cullimore, who is an appointed member of Transcom, the transportation committee of Wasatch Front Regional Council; reported on their recent meetings and projects related to Cottonwood Heights.

Mayor Cullimore reported that the WFRC new process for requests for next year will be rolled all into one, all at the same time. The group took action on the new improvement program. A Resolution was passed for 2017-1022 approving all transportation programs. All projects approved for the next 5 years.

Another topic discussed was a Congestion Management Report - How to deal with congestion on I-15. The new proposal is going to regulate ingress to the freeway and put meters.

1.2 Councilman Shelton led the Pledge of Allegiance.

2.0 CITIZEN COMMENTS

2.1 There were no public comments.

3.0 REPORTS/PROCLAMATIONS/RECOGNITIONS

3.1 Standing Monthly Reports

3.1.1.1 Finance Director, Dean Lundell, presented the Monthly Financial Report for the month of July.

- He stated that the total amount of sales tax received for fiscal year 2016 was $5,622,651, which is an increase of 5.70%.
- Franchise fees from cable television totaled $320,220, which is an increase of 4.77%.
- He reported that the City continues to receive a portion of the E911 revenues generated. Last fiscal year, collections exceeded $300,000.
- The anticipated overall 2016 budget is approximately $130,000 above the budgeted revenue number for the year.
- Energy Tax revenue was reported at $70,000 below budget.
- Expenditures include the July 1, 2016 debt payment for the bond and the police leased vehicle payment which is why expenditures are so high in July.
- The estimated Arts Council revenue totaled just under $17,000 with total expenditures of $21,366, which requires a City contribution of approximately $4,300.
• The beginning balance of unrestricted and unassigned funds for fiscal year 2017 is currently estimated at $1,173,082. Of that, $200,000 has been appropriated. The unrestricted assigned General Fund balance will be a 6% reserve to $1,082,864 which is in addition to the unassigned fund balance.

3.1.2.1 Acting Fire Chief, Mike Watson, presented the report for the month of July 2016 and stated that Station 110 was #6 of all stations in call volume and Station 116 was 14th. Between the two stations, they closed with 62 fire and 166 medical calls. Station 110 closed with 97 medical calls and 36 fire calls. Station 116 closed with 69 medical calls and 26 fire calls. Station 116 took no calls in Big Cottonwood Canyon. Station 116 responded to three calls in Little Cottonwood Canyon and Station 113 (located in Little Cottonwood Canyon) responded to 17. The top three medical calls by category included falls, traffic accidents, and fainting episodes. The top fire calls by category included alarm drops, burns, and smoke investigations. Station 110 received 48 Advanced Life Support (ALS) calls, of which 30 were transports, and 49 Basic Life Support (BLS) calls, of which 21 were transports. Station 116 received 33 ALS calls with 18 being transports and 36 BLS calls with 13 transports.

3.1.2.2 The UFA was continuing their investigation of the recent fires and was putting together, at the request of West Jordan’s Fire Chief, a task force of investigators. They believe that many of the fires are related and intentionally set.

A Special Board Meeting was scheduled to discuss filling the longer term appointments for the vacant Fire Chief and Deputy Chief positions. Chief Watson added that with the recent news articles from *The Salt Lake Tribune*, KSL, *The Deseret News*, *City Weekly*, their employees are as enraged as the public about what appears to be inappropriate use of UFA funds. It is his goal to rebuild trust with board members and employees during his service as interim Chief.

3.1.2.3 Mayor Cullimore pointed out the UFA situation is similar to when they were trying to create the new school district. He believes the change in management is necessary. Legal counsel, Karl Hendrickson, has also submitted his resignation. There is an ongoing State Audit as well as an internal forensic audit, both independent of each other. The agency is looking at violations of policy where the State Auditor will be looking for misappropriation of funds for personal benefit. The UFA is trying to identify where the problem arose and put procedures in place to prevent it from happening again. For instance, the Chief Financial Officer will be required to report directly to the board rather than the Chief. The Chief Legal Officer will likely be required to report similarly and is there to facilitate command staff and provide assistance. Travel procedures will be submitted in advance and will require approval.

3.1.2.2 The Customer Service Report included the new upgraded, self-contained breathing apparatus. Training took place at the training tower and familiarized the fire fighters with the equipment. The Back to School safety message included reminding residents that...
school is back in session. This means more pedestrian traffic at different times of the day and safety issues associated with crossing the street.
