WORK SESSION

Mayor Kelvyn Cullimore called the meeting to order and welcomed those in attendance.

1.0 Butlerville Days Update.

1.1 Butlerville Days Chairperson, Jim Monty, reported on the preparations that were underway
for the upcoming Butlerville Days event. Mr. Monty gave a summary of some of the activities
which include bingo, a chalk art contest, a movie character visit, an outdoor movie (Zootopia),
a balloon artist, face painting, a skateboard contest, a car show, a 5K race, historic display, pie
eating contest, free watermelon slices, a carnival, Scales and Tails, inflatables, pickle ball,
fireworks and synchronized music, parade, and parade staging.

1.2 There was discussion about the parade, what type of vehicle the Commissioners would like to
ride in, and whether there would be a marching band this year. Mr. Monty was unaware of
any big bands performing this year in the parade. Mr. Monty noted that the activities would
end at 11:00 p.m. on Friday night and on Saturday night the lights would be out at 10:00 p.m.
for fireworks.

1.3 Chairperson Chris Monty discussed volunteers and the food carts that would be at the event.
She stated that they had to turn down some food carts due to an overabundance of applications.
Ms. Monty reported that the Safety Plan was coming together and specifically asked all
vendors to make sure everything was tied down.

2.0 Review of Business Meeting Agenda.

2.1 Mayor Cullimore reviewed the agenda items which included a Youth City Council visit,
citizen comments, and Financial and Fire Reports. He also mentioned Ordinance 254A and
254B and the motions to approve or disapprove them. There were two resolutions on the
agenda which included an agreement with the County for Corridor Preservation Funds due to
an amount change and access relocation with UDOT and Rocky Mountain Power.
3.0 **Public Relations Report.**

3.1 Public Relations Specialist, Dan Metcalf, provided a report on media coverage and events in the City over the past week. He addressed the Butlerville Days printed program and how it should be completed early in order to be placed as an insert in the City’s June newsletter. Content for the newsletter was discussed including the latest sports and academic achievements of local students.

3.2 Mr. Metcalf reported that the Public Works Initiative was receiving positive feedback from the community both through public comment on-line and through social media sites. He reported that there had been no negative comments received from citizens.

3.3 A media clip was shown pertaining to the City’s new snow equipment. The reporter interviewed citizens and Public Works employees about the transition from Terracare to the City self-providing.

3.4 A news clip was played that focused on the Muslim community and their sentiments toward Presidential Nominee Donald Trump. A group of Utah Muslims were interviewed and expressed their opinions about Donald Trump as well as what Muslims believe and how they are treated in Utah.

3.5 A story of a man that used his truck as a battering ram was presented and how the man had been on an 18-hour crime spree. He was finally stopped and was arrested but not before he ran his truck into the Cottonwood Heights Police Station and causing hundreds of thousands of dollars in damage.

4.0 **Public Works Report.**

4.1 Public Works Director, Mike Allen, provided an update on Public Works projects from the prior week as well as upcoming projects.

4.2 Mr. Allen reported on the Creek Road construction being completed by Salt Lake County. The County was milling a portion of the road and would do an overlay once the milling was complete.

4.3 Flood damage done to a home on Creek Road was discussed and the status of the restoration of that residence. According to Mr. Allen, the project was nearly complete.

4.4 The banner mechanism on Bengal Boulevard was addressed and how the City should utilize it to display creative banners or some type of community welcome message.

5.0 **Planning and Economic Development.**

5.1 a. **Proposed Mixed-Use Text Amendment.**

5.1.1 Economic Development Director, Brian Berndt, discussed the Planning Commission’s review of the text amendment and approval of the new wording. Mr. Berndt discussed the new amendment with the Council and the types of structures that would be permitted under the
new amendment. The Council reviewed the proposed Code text amendment and recommended the amendment use the verbiage ‘feet’ instead of ‘stories’ in 19.36.050, Maximum Height of Structures.

5.2  
5.2.1 Mr. Berndt identified the recent ribbon cutting ceremonies which included the Sierra Trading Post, Coventry, and Project Drama. Appreciation was expressed for the Council for their support and for attending the ribbon cuttings. Mayor Cullimore asked about other ribbon cuttings and whether any other grand openings were scheduled.

6.0  
6.1  
6.1.1 Assistant Fire Chief, Mike Watson, had nothing more to report beyond what he presented during the Business Meeting.

6.2  
6.2.1 Police Chief, Robby Russo, discussed noteworthy events that had taken place in the City over the past week.

6.2.2 Chief Russo thanked the Council for their support and attendance at the Citizens Academy Graduation. The Council suggested that due to its success, the Chief run the Citizens Academy classes on an ongoing basis.

6.2.3 The hiring of new officers was discussed and four new potential applicants. The hiring would fill current positions and possibly put one or two of the new officers on reserve to allow them to receive essential training before being put into action.

6.2.4 Chief Russo reported on a short-term rental home in the City that was being illegally rented. The homeowner had been warned but had not returned calls to the City and had been avoiding contact. The Council suggested that a warning be mailed detailing the cost of non-compliance.

6.3  
6.3.1 Chief Russo did not have the DUI numbers to report but reiterated the approach his department has been taking regarding the DUI program. The Council was reminded of the DUI blitzes being performed as well as the upcoming ‘click it or ticket’ weekend.

7.0  
7.1  
7.1.1 City Manager, John Park, updated the Council on the progress of the new City Hall. He reported that the landscaping was scheduled to begin the second week of June and was to be
done by the end of June. Curb and gutter progress was discussed as were remaining exterior
construction items to be completed including fencing.

7.1.2 The progress of the interior construction items was discussed and the items currently being
completed including skylights, painting, ceiling grid, and rockwork on the interior columns.

7.1.3 Mr. Park reported on the building budget and the amount needed to finish the City Hall and
the Public Works facilities. The recommendation of the Council was to make the bonding a
one-time event and request a bond amount that would cover the City’s current expenses.

7.2 b. **Review of Staff Communication.**

7.2.1 There were no items brought before the Council or staff for additional consideration.

7.3 c. **Update on Transitioning Public Works.**

7.3.1 Mr. Park addressed the transition and status of the City taking over all Public Works
operations. The transition was reported to be going smoothly with the discussion centered on
a new street sweeper and a Clear Span fabric building for storage.

8.0 **Mayor/City Council Reports.**

8.1 a. **Wasatch Front Waste and Recycling Board Meeting – Councilman Bracken.**

8.1.1 Councilman Bracken reported on a recent Wasatch Front Waste and Recycling Board
Meeting.

8.1.2 Councilman Bracken took a tour of the Salt Lake Valley Glass Recycling Plant and reported
on the status of the glass recycling industry.

8.1.3 The Council reviewed the items discussed at the latest Board Meeting, which included
administration changes, drug-free workplace zero tolerance policy, new municipal
Townships/Cities being created and their membership on the Board.

8.1.4 Audit reports were discussed and it was suggested all the Council Members attend the Utah
State Auditors Training.

8.1.5 Councilman Bracken noted that there would be an upcoming National Garbage Person Day
Celebration. The celebration is a day that is set aside to show appreciation for those who take
care of our trash.

8.1.6 Budget spending was mentioned and how the Board was holding off on any spending until
the next fiscal year when the new configuration of Board Members was in place.

8.2 b. **Zoo Arts & Parks Update – Councilman Peterson.**

8.2.1 Councilman Peterson reviewed the latest Zoo Arts & Parks (ZAP) events.
8.2.3 There was a presentation made by Councilman Peterson showing the recent findings and recommendations made to the County Council. Councilman Peterson emphasized the public process and the criteria for all the Board's recommendations. The Board recommended $57 million worth of funding projects and indicated that they could use more funds for other projects. A motion was made and passed to approve the recommendations as presented.

8.2.4 Of the projects presented to the Board, two directly affect Cottonwood Heights. The two projects that were of interest were Knudson’s Corner and the Recreation Center. Councilman Peterson stated that the money for the approved projects would be available next year.
