MINUTES OF THE COTTONWOOD HEIGHTS CITY COUNCIL BUSINESS MEETING
HELD TUESDAY, JULY 31, 2018 AT 7:00 P.M. IN THE COTTONWOOD HEIGHTS CITY COUNCIL CONFERENCE ROOM LOCATED AT 2277 EAST BENGAL BOULEVARD, COTTONWOOD HEIGHTS, UTAH

Members Present: Mayor Mike Peterson, Council Member Mike Shelton, Council Member Scott Bracken, Council Member Tali C. Bruce, Council Member Christine Mikell

Staff Present: City Manager John Park, Assistant City Manager Bryce Haderlie, City Attorney W. Shane Topham, City Recorder Paula Melgar, Police Chief Robby Russo, Assistant Fire Chief Mike Watson, Community Development Director Michael Johnson, Public Works Director Matt Shipp

1.0 WELCOME

1.1 Mayor Mike Peterson called the meeting to order at 7:00 p.m.

1.2 The Pledge of Allegiance was led by Council Member Bruce.

2.0 CITIZEN COMMENTS

2.1 Nancy Hardy asked if the proposed roundabout is actually needed and what studies demonstrated that it was warranted. She remarked that the current lights do not appear to be an issue and believed this will redirect traffic to Bengal Boulevard. She presented information regarding the current method to teach and utilize a roundabout. She asked if the same person represents the developer requesting a zone change as the citizens that wish the current zone remain and if the Historical Society is opposed to the proposal as it detracts from the character of the City.

2.2 Jin Fredricksen asked the Council to ensure that watering is taking place near the construction at Brighton High School since she had witnessed many trees that are yellow and stressed or dying. She stated that mature trees are expensive and asked if they are being properly maintained.

2.3 Eric Kraan asked what happened to the glass recycling center that was previously discussed. He also inquired about the video and sound upgrades to enable the City to record meetings so that citizens can listen to meetings from their homes. He remarked that the Walsh property received expedited treatment for PDD expansion and density. He expressed concern with the expansion of Wasatch Boulevard near Giverny and the loss of a bicycle lane. He confirmed that the only explanation he received was that when the other side develops, the bike lane will be addressed. He opposed the high density and potential for increased traffic.

2.4 Matheson Harris reported that he lives off of Danish Road and Wasatch Boulevard and has ridden his bike through the area for the past seven years. The area near La Caille up to the High-T intersection has always had a very narrow bike lane where the shoulder is only several inches wide. He stated that they had hopes of an expanded bike lane and all along Wasatch Boulevard where there are several areas where the bike lane ends abruptly, which he believed
poses a safety hazard. An article in *The Cottonwood Journal* featuring cycling enthusiasts in the City was reviewed.

2.5 Tim Hallbeck stated that he read the newsletter regarding the City Manager position and asked that interviews be completed in person rather than via electronic interviews. He stated that the Public Works Department does a great job and appreciated the progress along Fort Union Boulevard.

2.6 Roberta Woolridge questioned the cost of the newsletter and asked if it is necessary to use glossy paper due to cost. She reported that she owns home magazines around the Washington D.C. area as well many other special periodicals. When she went to a glossy cover, she quickly realized how expensive it can be and her production costs increased. She encouraged the City to consider reducing their use of glossy paper.

2.7 Bob Jacobs stated that the proposed PDD project does not conform to City requirements. In order to have a 50-foot structure in a Tier 2, the first two stories must be commercial or office. He believed the proposal does not meet the criteria. He also expressed concern with the proposed 10% senior units when the PDD specifically requires 10% of the units be BMR (Below Market Rate). He believed the two are not the same.

2.8 City Attorney, Shane Topham, addressed the BMR issue and confirmed that the City disagrees with the developer’s analysis of that provision.

3.0 STANDING MONTHLY REPORTS

3.1 Unified Fire Report – Assistant Chief, Mike Watson.

3.1.1 Assistant Chief, Mike Watson, presented the monthly Unified Fire Report for June 2018 and stated that Station 110 finished 8th and Station 116 finished 14th. Station 110 closed with 117 total calls, 95 of which were medical and 22 were fire. Station 116 closed with 70 total calls, 54 of which were medical and 16 were fire. Top categories included falls, sick person, traffic accident with alarms being the top fire call. Station 110 received 49 Advanced Life Support (ALS) calls, of which 27 resulted in transport and 46 Basic Life Support (BLS) calls, of which 10 resulted in transport. Station 116 closed with 29 total transports, of which 12 were ALS transports and 17 BLS transports. The Customer Service Report included Community Outreach having helped support the Drop 13 Half Marathon, Station 110 participated in the school’s Field Day, Station 113 gave station tours to 38 people, participated in Canyon View Elementary School’s Field Day, and attended a Flag Day Breakfast. He reported that they received more calls on the Fourth of July but the calls were less severe and less intense so fewer resources were used. A fire in the City was reviewed.
