1.0 WELCOME/PLEDGE/ACKNOWLEDGEMENTS

1.1 Mayor Pro Tempore Scott Bracken called the meeting to order at 7:02 p.m. and welcomed those
attending.

1.2 The Pledge of Allegiance was led by Councilman Peterson.

2.0 CITIZEN COMMENTS

2.1 Lori Myler addressed her concern with the smoke from H&D BBQ. She stated that she has dealt
with the smoke for more than 100 days and the smoker is nine feet from her property line. She
asked the Council to consider it their responsibility to rectify the situation. She believes the city
erred in allowing such a business without more restrictions than were imposed. Ms. Myler
reported that there are nine homes nearby that are adversely affected by the smoke. She urged the
Council to shut the business down.

2.2 Councilman Shelton stated that the matter is being taken seriously and has been on the agenda
and addressed at every work session for the past several months.

2.3 City Manager John Park reported that the Health Department has been involved and did not
consider the situation to be a health hazard. He agreed, however, that the smoke is a public
nuisance. He explained that as the law is written, restaurants are exempt from any regulation
dealing with smoke. The only time they can address smoke is when it becomes a nuisance. The
Ordinance requires staff to meet with the person believed to be causing the nuisance and ask them
to mitigate the problem. If they do not comply within a reasonable period of time, civil or
criminal action can be taken. It is expected that a meeting will take place within the next several
days with the business owner. A request for the mitigation of the smoke issue will be made at
that time.

3.0 PROCLAMATION

3.1 Participation in “Idle Free Awareness Month”.

3.2 Mayor Pro Tempore Bracken read a proclamation declaring September 2015 “Idle Free
Awareness Month” by the Utah Clean Cities Coalition. It promotes clean air initiatives and
voluntary efforts to improve the overall health and well-being of the citizens of Cottonwood Heights.

4.0 REPORTS

Standing Monthly/Quarterly Reports.

4.1.1 Finance Director Dean Lundell presented the August 2015 Financial Report. He reported that the Fee in Lieu of property and vehicle taxes reflects a higher amount than from January through June of the prior fiscal year. He noted that the liability insurance has been paid in full for the year which makes that category seem already spent – which it is.

Mr. Lundell explained that a budget amendment will be presented in the near future to address carry over money from the previous year and revenue that has come in that will be added to the budget. An additional budget amendment is also needed under Administrative Services. Projects include the New Municipal Building and recommended an adjustment be made to that budget to carry forward any unspent money from last year to the current year’s projects. He reported that the remaining budget totals $153,000 and should be accurate. Deposits from the new Municipal Energy Sales and Use Tax will not show up until November. Mr. Lundell reported that the previous year’s property tax totaled $6.27 million and sales taxes totaled $5.319 million.

4.2 Unified Fire Report – Assistant Chief Mike Watson.

4.2.1 Assistant Fire Chief Mike Watson presented the August 2015 Unified Fire Report. Chief Watson reported that Station 110 and Station 116 had 45 fire calls and 165 medical calls. The top three medical calls by type included falls, sick person, and traffic accidents.

The safety message included maintaining smoke alarms and residents were encouraged to audit their smoke alarms to ensure that they have enough and that they are located in the proper place. Chief Watson recommended families discuss fire safety, fire prevention, and ensure that each home has a fire extinguisher.
