Questions
To: Mayor Kelvyn Cullimore  
Cottonwood Heights City Council  

From: Matthew F. Shipp, P.E., Public Works Director  

Date: January 10, 2016  
CC: John Park, City Manager  
Paula Melgar, City Recorder  
File, City Council Reports  

Attachments: Salt and Snow Chart  

Re: CITY COUNCIL’S WEEKLY PUBLIC WORKS REPORT

I. PUBLIC WORKS DEPARTMENT ACTIVITIES  

A. **Street Sweeping:** The sweeper is in the shop but will be out today or tomorrow. At this time we will begin sweeping and storm drain clean out  

B. **Tree Trimming:** Tree trimming activities are ongoing throughout the City. Many locations were found as we were out plowing and those areas are being taken care of during the daily activities of the crew.  

C. **Sign Repair and Maintenance:** Replaced as we find them  

D. **50/50 Concrete Replacement Program:** Staff still owes the City Council an updated program for this. It has been on hold with the snow removal. We will bring this forward at the next work session.  

E. **Pot Hole Repairs:** With the recent snow storms and subsequent melting, we are finding a large quantity of pot holes for repair. Crews are out fixing those with a temporary patch material (cold mix). This is only temporary as there are no asphalt plants open at this time of year. Permanent repairs will take place in the spring and summer  

F. **Snow Plowing:**  

1. December:
a) See Chart

II. UDOT PROJECT UPDATES:
   1. Knudsen Corner (Hydro-Demolition on I-215): Completed
   2. Wasatch Blvd. High T Intersection:
      a) No change in the status: We will try to get UDOT in the next work session to explain the concept and reasoning to the City Council. Working on the scheduling
   B. Fort Union and Highland Drive Intersection:
      1. No change in the status. Continue to work on the right of way

III. OTHER PROJECTS:
   A.
