A RESOLUTION AUTHORIZING ACQUISITION OF A STREET SWEEPER VEHICLE

WHEREAS, Utah municipalities are authorized to provide a variety of municipal services within their boundaries, including public works services such as maintenance and repairs to sidewalks, curbs and gutters (collectively, "public works services"); and

WHEREAS, the city of Cottonwood Heights (the "City") will begin self-providing most or all of its required public works services in approximately October 2016; and

WHEREAS, such self-provision will require the City to purchase or lease certain equipment, including a street sweeper vehicle (a "Sweeper"); and

WHEREAS, securing a Sweeper by October 2016 will require an advance commitment by the City to purchase or lease a Sweeper so that it can be manufactured, equipped and delivered before that date; and

WHEREAS, the City's governing body (the "Council") met on 10 May 2016 to consider, among other things, authorizing the City to purchase, to lease and/or to commit to the future purchase or lease of a Sweeper; and

WHEREAS, after careful consideration, the Council has determined that it is in the best interests of the health, safety and welfare of the citizens of the City to authorize the City to so act;

NOW THEREFORE, BE IT RESOLVED by the Cottonwood Heights city council that the City is authorized to purchase, to lease and/or to commit to the future purchase or lease of a Sweeper at a cost of up to \$300,000 on such terms as may be approved by the City's mayor in consultation with the City's manager, assistant manager, public works director and attorney.
