

Cottonwood Heights

Weekly Update for the Week of Mar. 6-11, 2016

City Manager

1. Newsletter proof should be ready by Tuesday.
2. Dan Metcalf is working on the time lapse video from the Municipal Center construction.
3. Information is being gathered to prepare the Requests for Proposal on communication and data to the new City Hall.

Police Department Report

1. 3/10/16 0910 hours. Suspicious Vehicle, 7561 Sous Quick Silver Drive, Silver Subaru with a male white in his 30s, Red short hair. Vehicle fled as officer approached last seen North on Wasatch and Fort Union. No plate on front or back.
2. We had 2 other pursuits this week while working with the multi-agency fugitive task force. We spotted the cars but other agencies took over the chase and spiked the cars. No damage or officer injuries.
3. JD made a traffic stop while working on the county wide op, and pulled over a pound of Meth in "MEGA CRYSTAL" form. Sheila came in to book the 2k that was with the meth. Nice snag Taz.

Administrative Services

1. Staff evaluated the furniture RFP's and will be visiting business next week to see and evaluate furniture in person.
2. Emergency Management Meeting with community members. Efforts continue in preparation for Shakeout on April 16th. Radio systems are being prepared and tested. A fourth "Go-Box" is being assembled and should be ready for the event. Block captains and volunteers are preparing and the community gathering locations will be ready to welcome citizens. A special thanks to Mike Halligan, Paul Brenneman and all of the community volunteers that have put so much time and effort into this event.

Public Works

1. Staff is working closely with TerraCare to determine what work is left for the remaining budget year and where those efforts can best be placed to have the greatest impact. Creek Road is one of the areas being focused on.
