- Recent retreat talking about issues:
 - Safety in streets. Repairs for stream run off issues.
- Wasatch Drive and Gondola:
 - State and County initiatives.
 - Slowing down speed and keeping aesthetics.
- More to come down the pipeline next couple of months. A lot of work involved in being on Council.

Ann Eatchel:

- Update on Butlerville Days:
 - 1st meeting on coming up on Saturday, April 8th. Laura is representative for AC on this committee.
- Easter event:
 - Laura thinks that it is beneficial for us to participate as it can help spread the word about our council in the community. We discussed that it may be best to think about our approach and then participate next. TBD. We may opt to do face painting this year. Laura will look into it further.
- Aspen Winds:
 - April 17th. Laura requested one of our council members to be the liaison for this event. Christina volunteered to be the liaison. Flyer for event needs to be done by March 17th. This event is geared towards a children type event.

Council Members Hours: Please report to Anna as requested.

Mission / Mission Statement Update:

- Postponed due to lack of time. Move topic to March meeting.

Event Updates & Budget Items:

- THEY REM: Saturday, Feb. 4th. Ciara needs help with this event.
- Sweethearts Paint Night: Sold Out!
- Artist of the Month: Love Letters: Featured on Fox News!
- CH Children's Choir: Feb. 15th is first rehearsal. Every Wed. 4-5pm. We may need to rethink advertising for 6th graders because they are in middle school and we don't really have any participation from 6th graders.
- Musical: Guys & Dolls: Update on production team. Team is almost complete. Schedules are being well coordinated and communicated within pro team. We need to discuss sponsorships for event.
