Summary:

We have recently purchased a new police motorcycle and would now like to sell CHPD's current motorcycle, a 2014 Harley-Davidson Electra Glide motorcycle VIN 1HD1FMM11EB638409. It currently has 16,900 odometer miles. This disposition would be managed by the police department utilizing online classified sales options such as KSL Classifieds or similar. Staff recommends approval of putting this vehicle up for surplus with a minimum bid of at least the minimum value indicated by a current, widely-used valuation guide (such as Kelly Blue Book) for this type of motorcycle in its current condition and with its current mileage.
