The Honorable Mayor and Members of the City Council:

This monthly financial report for the 2023-2024 fiscal year, month ending December 31, 2023 is presented here for your review and comment.

**General Fund – Revenue**

Real Property Taxes - Deferred calendar year 2023 revenues have been posted into fiscal 2024 along with current monthly revenues. The major collections of property taxes occur through the month of January and the annual reconciliation is completed in April. Delinquent redemptions through August are also credited to the fiscal year.

Sales Tax Collections – Collections for the city occur two months behind the merchant's collection. The fourth month of collections is down 4.08% year over year and the year-to-date is 15.61% higher than the past 5 year average collection.

Option Highway/Transit Sales Tax – This revenue is starting its' fifth year, the result of a voter approved sales tax for Highway and Transit uses. The fourth month of distribution was down year-over-year, and the year to date is slightly down over prior year collections.

Energy Sales and Use Tax – The prior year started strong and finished the year 17.6 percent more than the prior year. We expect the current year to be 5.0 percent higher than the prior fiscal year collections, yet early collections are only 2.1% higher year over year.

Fee-In-Lieu of Property Taxes – Deferred calendar year 2023 revenues have been posted into fiscal 2024 along with any current monthly revenues.

Franchise Taxes (Cable TV) – This revenue reports and pays on a delayed quarterly basis. This revenue was up in 2022, but FY 2023 was back to FY2021 revenues, and current revenue is down 2.6 percent over the prior year and the lowest collections since FY2015.

Transient Room (Innkeeper) Tax Collections – The Transient Room (Innkeeper) tax currently is 1.18% increase over the prior year. Prior fiscal year total collections were over 23% higher in 2023 over 2022. This tax collection is reported by entities on the same schedule as general sales tax reporting and has strong increases over the past couple of years.  
Transient Room Taxes for FY 2023 ended the year at \$178,177 in collections.  
(FY21=47.9% incr. FY22=81% incr. FY23=23.1% incr.)
